NATASHA DULCE: TAN, SWEET PERFECTION

Dear *Voluptuous*,

There are only four words that will clearly describe how I feel about the July 2011 issue and they are, HOLY SHIT, NATASHA DULCE! She's a total winner in my book. I love Latin women with darker skin and her tits are absolute perfection. What I wouldn't do to suck on those titties for hours. And while I like the big tits in your magazine, I am not into the most of the models you feature because I have a very specific type. Natasha fits the bill perfectly. If I had to build a dream girl from scratch, like they did in that movie, *Weird Science*, she would probably look like Natasha. And it's not just her tits that do it for me. I think she has an incredible smile, too. It's so inviting. You have her listed as an exotic dancer in her Bare Facts information and I must say that if she gave me a lap dance and flashed me that winning smile, I would probably give her all of my money. (I would probably give her all eight inches of my dick, too!) Please bring Natasha back because I am sure that I am in love with her.–P.L., Chicago, Illinois

V-mag reader E.R. from Brooklyn, New York asked for a close up of Natasha Dulce's sweet dugs. Here they are, buddy! Enjoy!

Dear *Voluptuous*,

In the July 2011 issue of V-mag there was a debut named Natasha Dulce that made me more excited than any other new model you have had in the magazine in years. I am a Latin man and I know that the Spanish word, "dulce,"

Voluptuous fans were excited about Natasha Dulce's debut in the July 2011 issue. Did this hot Latina make the summer issue sizzle for you?

translates into the English word, "sweet." Well, Natasha is just that; 100 percent tan, sweet perfection. I grew up in a mostly Dominican neighborhood in Washington Heights in New York and Natasha looks just like all of my crushes in high school. She is all curves and has such a great smile that looking at her pictures made my cock hard and my heart flutter. I would like to request a shot of her amazing tits. Thanks for always bringing us amazing new models with every issue and I hope we can see more of Natasha in the future.–E.R., Brooklyn, New York

SOME INPUT ABOUT THE V-MAG AWARDS

Dear *Voluptuous*,

Congratulations on your awards issue. I thought most of the winners who were chosen were the right ones. The race for Model of the Year couldn't have been closer and I can see why Ashley Sage Ellison was a candidate. She is perfect in every way; those suckable boobs, awesome, big butt and come-fuck-me eyes. The fact that she doesn't do hardcore on film makes little difference to me. I can just imagine how wonderful her pussy is.

As for Renee Ross, I think that she has the most-incredible boobs and delicious-looking pussy. I would eat her pussy for hours while she kept cumming in my mouth! I would have automatically made her winner of Pussy of the Year.

I thought Denise Davies was a shoo-in for Areolae of the Year. I would love to see her

Reader B.T. sent us an email praising the awards issue and asking for a lezzie scene between Mellie D. and Laura Bailey. Who would you like to see in a girl-girl scene?

in a full pictorial again. I also thought that Cherry Brady was the only real choice for Ass of the Year.

On another note, is there any chance that my two other favorite English babes, Mellie D. and Laura Bailey can be featured in the magazine again? I would love to see them solo or in a lesbian scene. That would be perfect. Thanks for doing a great job!–B.T., via the Internet

VALORY IRENE: PUFFY NIPPLES RULE!

Dear *Voluptuous*,

I just saw the photos of Valory Irene in the August 2011 issue. Wow! Probably about the best photo set of her that I've seen so far. It was very hot. I didn't realize what a great ass she has, not to mention that she is beautiful. I just love her puffy-nippled tits.

The August 2011 issue was a great magazine all around. I could list all of my favorite models, but it suffices to say that you guys really do a great job. I have long been a subscriber to both V-mag and *SCORE* and they are by far more superior to every other big boob magazine competitor.

But back to Valory Irene…I think that she has the same nose, mouth and chin as Kayla Kleevage. (Especially the lower photo on page 68.) And her puffy nipples kind of remind me of Traci Lords back in the 80's. Later on, Traci Lords kind of grew into her nipples a little more. So, maybe puffy nipples happen because that the breasts haven't physically matured completely, yet. Maybe Valory's will get bigger once she grows into her nipples, too.–E.S., Des Moines, Iowa

JANET JADE NEEDS TO BE ON THE COVER!

Dear *Voluptuous*,

I am writing regarding the letter by O.S., in the July 2011 issue. I could not agree with his opinion more. I think that Janet Jade is the greatest V-Girl of all time and she certainly deserves to be a V-mag cover girl! If there are guys out there who have a problem with that, then let them buy another men's magazine, because only a hardcore racist would not like Janet Jade.

I would hope that V-mag would not bow to the pressure of always putting a white girl on the cover. While I understand that the editor of V-mag is infatuated with Cherry Brady, I, for one am tired of her being on the cover. (Hell, I'm tired of Cherry Brady, period. If you need to bring back a legend, bring back Nadine Jansen). Miosotis won V-mag's and *SCORE*'s Newcomer of the Year, and she did not merit the cover of either mag! Pathetic! Get with it V-mag! We are well into the 21st century! R.L., via the Internet

Dear R.L., Thanks for your letter. We always like to hear from our readers and get

Diane Poppos

BACK IN THE DAY...

On January 14, 2002, the world got its first look at a horny Texas housewife...

with great, big tits and even bigger wet dreams...

and just like that, a V-mag star was born!

Almost 10 years ago, Diane Poppos bust onto the porn scene (And what a bust she has!) after her ex-husband put videos he shot of her doing all sorts of nasty, raunchy things in the buff, on the Internet. With her amazing tits and her MILF-next-door appeal, Diane Poppos became an Internet sensation overnight. And just like that, she was gone. She went back to Texas to raise her three kids and we thought we'd never see her big tits ever again…until now!

Would you like a signed copy of one of Diane's V-mag covers? Two lucky winners will score one of two autographed magazines! To enter: Please send a letter to The SCORE Group, WIN DIANE POPPOS MAGS at 1629 N.W. 84th Avenue, Doral, Florida 33126 and include your name, mailing address and date of birth. Good luck!

On a regular day in our studio, we got an extraordinary call from Diane and she told us that she wanted to return to modeling. "The last time I was here I really enjoyed myself. You guys are so good. So, I figured that I should call you guys," she said. She also told us that her tits, once a whopping 34H were now an even bigger 38HH! How could we resist? We flew Diane from Texas to Miami the next day and the rest is TITStory!

"The last time I was here I really enjoyed myself. So, I figured that I should call you guys."

What has Diane been doing during her hiatus? The Dallas, Texas native is a housewife and still enjoys shopping, cooking, playing golf and hanging out naked in her swimming pool. We asked her why she decided to retire from modeling in the prime of her career and Diane was very candid. "I thought that I would take a little time off and that just turned into nine years. But, now I am back and enjoying modeling for you guys. And only for you guys. I am doing it for my fans. I still get fan mail from guys who like my legs, my eyes and my breasts. It's very flattering." We like them, too, Diane. Welcome back!

their perspective on the latest issues and what they would like to see more of. It also gives us an opportunity to answer some of your questions and address some of your concerns about your favorite models.

Here at Voluptuous, *we work very hard to create a magazine that caters to all of our readers likes, giving them a mix of both exciting debuts as well as their favorite models in each issue. That being said, we feature models of all races and sizes and like to think that this variety is what makes* Voluptuous *a great publication.*

Each issue is packed with a plethora of amazing, busty beauties so you can imagine how difficult choosing just one covergirl each month is. Our editorial team and art staff review dozens of photos for the cover and eventually choose a lucky V-girl to grace our front page. While we take a lot of things into consideration for cover selection (i.e.-picture quality, saturation, the model's posture, outfit choice, etc.), race has never been, nor will ever be a factor.

We hope that we have addressed your concerns regarding Ms. Jade, who happens to be an incredible model and also one of this editor's favorite models to date. We look forward to hearing from you and all of the other V-mag readers because your opinions help us put out great issue after issue.

Janet Jade's fans would like to see the stacked stunner on the cover, ASAP!

Big Tit T.L.C.

Raquel Grant

We'd like to welcome back the incomparable Raquel Grant, a woman whose debut in the September 2010 issue did more for the nursing profession than any Public Service Announcement ever could. That's because in that issue, Raquel, who was in nursing school at the time, told us that she liked to use her tits to bring ailing men back to health. So does this now full-time nurse still employ TIT T.L.C. on her patients? "I'm a private nurse who helps patients recover after sports injuries. Athletes love my breasts." We'll take that as a yes.

Bare Facts

Raquel Grant

Birthday: June 6, 1983
Age: 28 **Height:** 5'5"
Weight: 168 lbs. **Bra:** 40G
Measurements: 42-38-42
Lives: Czech Republic
Previous *Voluptuous* Appearances: September '10
Videos: ***Full Figured Foxes*** (Rated X), available on page 9.

"Since I graduated from nursing school, I have had a lot of opportunities in my nursing career. I have been able to travel and work with some of Europe's top athletes. And sometimes they have worked on me, too. [*Laughs.*] Athletes are horny all the time and have a lot of energy. They appreciate a woman like me who can be rough in the bedroom. And I like a man who can handle my curvy body."

And have there been opportunities in her modeling career, too? "I actually just watched my first movie, *Full Figured Foxes* and it made me so horny to see myself in a dirty movie. I love to watch porno, so having a porno of myself is very erotic. I have played it for some of my lovers and they think I am a star. It makes them even more excited and makes their dicks harder." So, does this mean that Raquel will soon star in her first XXX porno, too? "I have thought about fucking on camera and the idea of it makes me very wet. It is something that I have considered. Maybe, soon."

Retro Rack

Say hello to Desiree, another busty babe who, like Diane Poppos, is making her return to our pages after nearly a decade. Don't recognize this racy redhead? That's because she made one appearance in the September 2001 issue of V-mag and then she disappeared. Now she is back, and like Diane, her tits are also way bigger! Don't you just love it when that happens? Welcome back, Desiree!

Desiree

Desiree first came to our studios ten years ago when, while she was on vacation from New York, a photographer spotted her frolicking in the surf in a bikini. (Correction: he spotted her then D-cup tits frolicking in the surf!) She came, she posed and then she was gone. Fast-forward to ten years later and she called us and told us that her tits were bigger and that she wanted to fuck on camera for the first time. Don't you just love it when that happens, too? Yeah.

Bare Facts

Desiree not only popped her XXX cherry for our cameras, but this fiery ginger also gave up another cherry for us, too…her ass! That's right, Desiree did anal for the first time EVER in our studio. We like girls that go all the way and then go just a little bit more, too. How did Desiree feel about giving up her ass for the first time? "I thought it was hot. I like sex and I am into fetish stuff. I told him to put it in my ass before he fucked my pussy. It felt really good. I would do it again." You can check out her anal scene on *SCORELAND.com*.

DEBUT
Micky Bells

J-Cup Juggy

V-mag readers, say hello to the newest busty babe to debut in V-mag, J-cup doll Micky Bells. While you take a moment to peruse her obvious charms, we feel the need to point out that Micky not only has incredible, natural hangers, but she also sports 11-inches of cleavage. That is the kind of cleavage you can get lost in. It is the kind of cleavage that engulfs your dick and could probably milk you dry! What do you think about when you look at that deep canyon of boob flesh? Yeah, we want to motorboat her, too.

Micky has been modeling overseas and started off as a cam girl. She says that she likes guys who watch her and take their time to appreciate her body. She started off as a G-cupper and has quickly expanded to a J-cup, a fact that doesn't bother her because she loves her tits. "I use lotion on my breasts every day and try and massage them so that they stay supple and soft. I also like to wear nice bras that give my big breasts a lot of support," she told us. When she is not modeling, Micky enjoys spending quiet time at home reading a good book or trying out new recipes in her kitchen.

BOTTOMS UP!

We know you love girls with plenty of curves up top...

but let's not forget that they've also got lots of junk in their trunks, too!

TAYLOR STEELE

Big tits are awesome. You can squeeze them and you can suck on them. They bounce in your face when a busty gal is riding your dick and they wrap snuggly around your meat when she's titty fucking you. But this is not about big tits. This is about that other part of a curvy gal's anatomy that you can squeeze, slap and fuck; her ass. Correction: Her big, juicy ass. You see, most curvy gals come equipped with a bunch of padded places of pleasure and this special pays homage to the curvy cabooses that pack pounds of pleasure for you to pound. Big-assed babes, this one's for you!

BUNNY DE LA CRUZ

ANALEE SANDS

MELONIE MAX

DORS FELINE

*Big asses come in lots of shapes and sizes, and by sizes, we mean big, bigger and huge! Sometimes they are bubble-shaped like Bunny De La Cruz's (*opposite page, top left*) and sometimes they are pear-shaped and bulbous like Analee Sands (*opposite page, top right*). They might even be a combination of both, like Melonie Max's (*opposite page, bottom*), but all of them will look amazing bouncing up and down on your stiff dick. Just look at the kitty with the huge caboose above, Dors Feline. Taking a ride on her wide trunk would definitely drain all of your spunk!*

JULIA JUGGS

*If there is one quality to be admired about the caboose, it's when a girl likes to throw it on your dick like it's going out of style. And we don't mean just cupping her ass while you hit it from the back, either. No, we are talking about the kind of lady who wants you to put your cock INSIDE her ass and fuck it. Hard. The kind of girl who loves anal. A gal like Julia Juggs (*above*). And while not all ladies want their asses pummeled, big booties are still meant to be appreciated. Just ask V-mag's 2010 Ass of the Year winner, Cherry Brady (*right*). Her ass has inspired many votes and loads!*

CHERRY BRADY

The last time we saw Michelle May, she was blonde and busty. Now, she is sporting darker locks and is even bustier. We are not complaining about either change! "I gained a little weight and it went to my tits, so I kind of like it," Michelle told us. "I haven't gotten any complaints about it." We doubt you will, too.

Lives: California

So how much bigger have Michelle's tits become? In the June 2010 issue (Where she scored second runner up for Newcomer of the Year!) she was a 36E. Now, she is back and her tits are a 38F. But growing tits are not a new thing to this flexible fox."My boobs developed the summer between my freshman and sophomore years of high school. One summer I went from a small B, to a very full D. I was in excruciating pain. Going up two cup sizes in a few months was intense. It was tough because in school, I was a dancer and then all of a sudden I had big boobs. I did ballet. But I quit because I looked ridiculous. I had this giant chest in this sea of flat-chested ballerinas. I guess you can say that my cups had runneth over!"

Michelle said she was retired from modeling and went on to finish nursing school. (There were many sad fans when she decided to quit.) But one day, we got a call from Michelle and she wanted to come back and give modeling another whirl. "I missed it," she said. "I really enjoyed getting glammed up and feeling sexy. And I love that my fans still want to see me and like jacking off to my body." We love a girl with that kind of outlook, Michelle!

They call it a "Miracle." We call it a sham!

-by Maria Guerrero

In a world full of uncertainties and untruths, there is one thing we should all be able to depend on. There is one thing that should be a constant, no matter how unstable other things are. And that one thing is BIG TITS. You should be able to look at a pair of big tits and believe in their size, weight and J.F. (Jiggle factor.) While Shakira might tell you that Hips Don't Lie, here at *SCORELAND*, we like to believe that Tits Don't Lie. That's why when we came across an ad for Victoria's Secret's new "Miraculous Push Up" bra, we were intrigued. (Hey, it's not every day that someone advertises miracles AND titties in the same breath!)

You can imagine how pissed we were when we read their promise that stated, "Hello, Bombshell!" Instantly adds two cup sizes. Can be worn as a halter or crossback. In smooth & lace. Sizes 32AA-38DD."

Um, excuse me? Say what?

While we can sympathize with flat-chested women who might have to resort to this kind of subterfuge, there is no excuse for women with tits to participate in this kind of sham!

Imagine if you see a woman walking down the street, jiggling all over the place, with a rack that looks to be about an F-cup. You ask her out. She accepts. You take her to a nice dinner. You take her out for some drinks. You take her out to a movie. Now you have invested time and money in this F-cup dream. Finally, the time comes for you to get in where you fit in and jump on the hanky-panky train. You cop a feel and…wait a second! It feels like you are squeezing a couch pillow, all padding. But you press forward bravely into the great tit unknown.

Continued on page 75

Slim and stacked babe, Bella Blaze (*above left*) is a DD-cup and legendary V-Girl, Lorna Morgan (*above right*) is an F-cup. When it comes to big tits, do two cup sizes make a difference to you? Do you buy into the "miracle" promise that certain bras make?

Sadie Berry

"I want to make you cum hard!"

When we first laid eyes on Sadie in the November 2010 issue, we had her pegged all wrong. You see, we thought she was a shy, nice girl who wanted to model and feel glamorous. We were wrong. Sadie is not shy, but she sure is nice…especially to fuck! Sadie told us that she likes to get down on the baloney pony and when she is riding a stiff one, there is only one thing she wants to do. "I want to make you cum hard!" she said, and watching her mam-handle this guy's prick, hey, we believe you. And we have to admit that seeing this strawberry blonde get busy in garters and stockings is kind of hot, too. There is nothing like a lady who likes to dress up to get down and dirty.

We were happy to make Sadie's pinup girl fantasy come true, but she had others. "I've always wanted to have sex in a park or at a beach where anyone could watch," she said. "I like dark-skinned guys with thick accents and big cocks. I tend to date guys like the gardener and the pool guy." We are sure there are V-mag readers who fit that order, Sadie.

With such a wild imagination, you would think that Sadie is probably a cam girl or a porn star, but she isn't! This ginger is actually…an accountant! "People think that I am this wild, slutty woman in my real life, but I am actually a very boring accountant. I think that is why I have such a healthy sexual imagination, because I live a tame life. I love to imagine that I am having sex in public where anyone can see me in different positions. I love posing naked and having sex on camera so that strangers can see it all, and watch me getting off, playing with my boobs and ass. I get dreamy just thinking about it." So do we, Sadie!

Then she takes off her Miraculous (Read: LIE) Bra and, hey, what the fuck? Where did all that F-cup go? It's gone. And instead, you are left holding on to a D-cup, maybe a DD-cup. Sure, it's not THAT bad, but it ain't the F-cup you were promised. It's a lie.

Maybe I am being harsh because I am a woman with larger chesticles, but to me, these miracle bras are like driving off the lot in what you thought was a Mercedes only to find out you bought a Lexus. Sure, it's still a luxury car, but it's NOT THE SAME.

It boils down to the idea that women shouldn't create lies about their tits. The two-cup sizes lie is the worst thing ever created. That's like a two-inch lie from a guy. Trust me when I say that when it comes down to it, two-inches makes a big difference! lol

What say you, tit men? Have you encountered these deceptive undergarments? Are you pissed about it? Do you accept it? Does it matter? Chime in.

Seeing Red *-by Maria Guerrero*

A while back, we had blogged about the white bra and why its lacy, sturdy cups excited all of you. Today, we will discuss the red bra and why its crimson cups excite me.

There is something about the red bra that is both slutty (In that, MAN! I wanna bang her, but she is still a nice

Kaytee Carter's red bra makes her ripe rack look extra-hot!

girl way…) and classy. I don't know what it is about the color that does it for me, but I wear a lot of it in my personal life and when I bump into a hottie in a red bra whilst looking through photos, I always stop and stare. It's eye-catching. It's provocative. Today I was looking at the shot on the previous page of Kaytee. and I was stuck on it for like five minutes. Clearly I have seen Kaytee before. Clearly I have seen her naked right IN FRONT OF ME. But this red bra…man, it's hot. (I made this photo my desktop! lol) What say you? Are you seeing red, too? Is it just me?

I feel like that little kid in *The Shining*, but instead of REDRUM, I am mumbling REDRACK.

Sigh…Kaytee Carter. I think that you are one sexy, red-hot babe.

Should there be an award for fucking? *-by Dave Rosenbaum*

As many of you probably know, for 2010, *Voluptuous* magazine added a bunch of categories to its year-end awards voting. In addition to Model of the Year (V-Mag's oldest award) and Newcomer of the Year, V-Mag now has Bush of the Year (Aileen Ghettman), Preggo of the Year (Lorna Morgan), Ass of the Year (Cherry Brady), Pussy of the Year (Jenna Valentine), Areolae of the Year (Denise Davies) and Hardcore of the Year (Christy Marks).

That last category is the one I want to focus on today. *SCORE* reader R.N.

Samantha Sanders

There is something about a woman in an apron that makes us feel good…down there. And if said woman has delicious knockers like Samantha Sanders, well, it's even better. Here we see Samantha hanging up her bras to air dry, which kind of makes it seem like she is putting them on display for your approval. Especially if that means that she is going to take all her clothes off and play with her tatas in the sunshine. (We like a woman who wants to let it all hang out.) Samantha told us that she especially loved that while we were snapping these pics of her, there were some horny guys watching from a boat on the water behind her. "I wanted to give them a show!" she said. We like givers, Sam!

Samantha's comfort in the great outdoors comes from her upbringing in England. Back home in Blighty, Samantha is a horsewoman. She grew up on a horse farm and has always preferred being outside and working up a sweat in the sun. She owns horses and is a skilled rider and an expert show jumper. It seems fitting that Samantha actually lost her virginity in a horse stable. "It was with the hired help in a hay barn," Samantha revealed. "I loved every minute of it. Even now, I get horny thinking about it. I remember that day well." She also likes to be naked even when she is not outdoors. "I sleep naked, no bra, nothing. I don't wear a bra when I'm riding either. I just wear a small T-shirt and jeans. I like my breasts to be free."

SCORELAND BLOG

Continued from page 76

from New Jersey recently wrote in, "At the risk of seeming presumptuous, I'd like to suggest a category for future voting. I think many readers would like to vote for XXX *SCORE* Girl of the Year, the girl whose boy/girl layouts are the hottest. There would be some tough competition, I'm sure."

This isn't the first time we've received that suggestion, but the fact is, we've resisted adding to *SCORE*'s current awards categories (Newcomer of the Year, Model of the Year and Big-Boob Hall of Fame) for a variety of reasons:

1. We don't want to water down or deemphasize the existing awards.

2. Many of our readers in the UK wouldn't be able to participate because they get the censored UK edition.

3. A lot of readers and *SCORELAND* members already object to any kind of competitions between the models (and I kinda agree that everything doesn't have to be a competition).

But should we change our minds? Should we implement XXX *SCORE* Girl of the Year when the 2011 awards finalists are announced?

And to qualify, would a tits and tugs scene be enough, or would a cock have had to have penetrated the girl's sacred pussy and/or asshole?

Whaddya think? Should we or shouldn't we have a fucking award?

Who wouldn't want to be right smack in the middle of this tit circle?

Circle Of Tits

-by Dave Rosenbaum

The perfect symmetry of the circle of boobs shot, taken during the filming of the DVD, *On Location Grand Bahama*, is a thing of beauty. The girls are (starting at the top right): Jenna Valentine, Karla James, Arianna Sinn and Taylor Steele. Whenever I see this spectacular shot, I think to myself:

1. I would really like to be in the middle of that circle.

2. It must be really nice to be a *SCORE* photographer. (Lucky bastards!)

What goes through your mind? Makes you kinda dizzy, doesn't it?

The Comeback Queens Of SCORELAND And Why We Love Them

-by Maria Guerrero

With all this hubbub about the great Diane Poppos making her return to *SCORELAND*, I started thinking about all the other legends who came and went and then came again for your cumming enjoyment. Greats like Cherry Brady, Michelle Bond and Autumn Jade. In my opinion, they are what I like to call COMEBACK QUEENS. (I wrote it in all caps because it looks official that way.) These ladies came back stacked and sexier than ever. Their returns both excited you and made you wonder why they went away in the first place, right?

Then of course I started thinking about all the greats who came and went

Nicole Peters: Her return would really be the second cumming!

and never came back. (Clearly this made me sad.) Ladies like Nadine Jensen and the great Nicole Peters. Now, I don't know about you, but I would LOVE to see these ladies make a comeback. I would be the first in line to check their riper and hotter bodies out. (Fortunately for me, I work here and would get a front row seat if this were to happen! Yes…be jealous!)

So, who would you guys like to see come out of retirement for one last hurrah? Nadine Jansen and Nicole Peters are my personal favorites, but I would like to know who you'd like to make a comeback so that you can cum again! I am not promising anything…but I will say that here at *SCORELAND*, we are in the habit of making (wet) dreams cum true! (That's because we love big tits just as much as you do!) So, you never know what could happen or who could pop into our studio.

Dream big and shoot even bigger loads, gentlemen!

Poppin' Out With Poppos All Over Again.

-by Elliot James

January 14, 2002. That was the day Dave and I interviewed Diane Poppos in one of the early "Meet The *SCORE* Press" interviews we used to do. We conducted similar interviews with Cherry Brady, Jezhabelle and Chaka T.

That was a special day for me. I'm the kind of guy who's not especially star-

Diane Poppos' return caused quite a stir...in your pants, that is.

struck, especially by people we see on all of the celebrity sites and shows. If Cameron Diaz and Lady Gaga knocked on my door, something as likely as the space shuttle landing in my backyard, I wouldn't let them in. But Poppos, as I tend to call her, was already a big-time celebrititty in the big-boob world, and meeting her in person was, and still is, a big deal to me. That interview is still archived on *SCORELAND*, and I remember it very well to this day.

Poppos is still a celebrity to me, one of those larger-than-life chicks. The original busty MILF/WILF (In her case, ex-wife.) America's first super-natural housewife to show off her huge tits and her pussy in men's mags and one of the first Internet phenomenons before hordes of like-minded women went for their piece of the web pie.

Just recently, Diane called the studio out of the blue and asked if we wanted to photograph her again.

Today, we're posting a brand-new video interview on *SCORELAND* and *XLGirls*. Nine years after she first walked through our studio doors, Poppos couldn't just model and leave. She had to talk to us before she went home. We went into the studio to interview her again on video, and it was like January 14, 2002 all over again. What's Poppos been up to all this time? Have her tits gotten bigger? What are her plans? Lots of questions. It's deja vu all over again. Welcome back, Poppos.

It's FOX Season…And The Hunt Is ON! *-by Maria Guerrero*

I will openly admit that when I first saw Dors Feline, I kind of sorta fell in love with her. Maybe it was her pale, British skin, kinky accent and her sexy face; whatever it was, this UK hottie has made me one smitten kitten. (Okay, fine…it was her multiple tattoos and her ginormous boobies! I know tattoos are not for everyone, but I say it loud and proud…me likey the inked ladies!) I think Dors is one of those women who wear her curves just right and even when I see her in clothes, I have to stare at her. You just kinda want to watch her body move, you know what I mean? The way her boobies jiggle and her ass undulates when she moves makes for quite the show.

That said, I was wayyyy amped when I saw the cover art for *Full Figured Foxes*. Hellllllooo Dors! If I were her, I would wear this kind of ensemble everywhere. Just like that. The flick also stars many a curvy cutie like newbie and fan fave Elaina Gregory as well as one of my personal favorites, Devin Taylor.

If you like women with meat on their bones and plenty of sweater dumpling action going on, this movie is for you. And did I mention that there are 11 hotties in this movie? That's a lot of Boob for your Buck. Personally, being a curvy woman myself, I kinda like watching curvy women play with their tits and make themselves cum. I have a deep fondness for solo movies. :)

What say you, tit lovers? It's FOX season…let the hunt begin!

Kristina Milan

Kristina Milan's tits are at their most massive and most milk-bloated in this extra-hot layout in the tropics. Kristina would shellshock even the most jaded, bored breast-man who has seen it all. Her breast-milk squirting might be the highlight for many as her fuck-friend John is sprayed in the face, the milk dripping from his mouth and chin as he savors her boob beverage. Who's thirsty?

Lives: Dominican Republic

Kristina's tits were so full of milk during this shoot that her nipples were actually dripping like a leaky faucet! These are what you call real dairy jugs! A fun fact for those of you who find breast milk an interesting delight: The addition of breast-milk in products like ice cream or cheese is banned by some countries, recently England in March, 2011, but many men seek out milkers for hire, not for any kind of sex, but to ecstatically suck the milk from their lactating, engorged tits or to buy it from them. While this stud didn't literally "milk" Kristina's massive jugs, we know for a fact he did suckle them and who could blame him?

But Kristina has other delights to offer a man besides her milk cannons. Here we see her work this shaft with her mouth and trained tongue. Then she breast-bangs it (seeing is believing her amazing tit-fucking talents), and then opens her cunt for a deep drilling and filling followed by wild screaming and creaming. The beauty of Kristina's country is a sensational backdrop that complements Kristina's exotic mammary magic.
